re: Superior Court Judgment 97-2-01748-5

Mr. and Mrs. Sesko:

The City of Bremerton has noted that you have filed an appeal of the orders entered by Judge Haberly on November 2, 2001, November 16, 2001, and November 30, 2001. That circumstance will not prevent the City from commencing the clean up action on your Arsenal Way property on December 17, 2001.

If you decline to label and identify the six residential vehicles on your property by December 11, 2001 as you have been ordered to do by the Court, the City will clean up the property to the extent possible and leave the 20 vehicles which you identified as residential vehicles on your property, which the City photographed on November 13, 2001. The contractor will then commence clean up on the Pennsylvania Avenue property until the Court of Appeals has dismissed your appeal before completing the clean up on your Arsenal Way property.

The City contractor will visit your property as scheduled to reconsider its bid.

If you have any questions, you may contact me at (360) 478-5213.

Sincerely,

Janet K. Lunceford  
Building and Development Specialist
